Report.

THE School is well attended, numbering 33 pupils, —26 girls, 7 boys,—with an average attendance, 30, paying ten cents a week; while the more advanced pupils pay twenty cents, or where there are more than one of a family, twenty-five cents for two.

The School is independent of the Church in its support, never having received a donation, collection, or aid in any way from it, but has been opened and sustained mainly by the great interest and untiring efforts of its officers and managers until the last few years, when the interest on the sum left by the late President, Mrs. E. D. Fisher, has greatly aided them in its support, and enabled them to increase the sum already invested by the Guild for its benefit.

The more advanced pupils study Natural Philosophy, English and American History, Botany, Etymology, Grammar, Spelling, Geography, and Arithmetic. It is visited weekly by two of the Managers, catechised by the Rector, and attends all the services held in the Church.

Important Notice.

“A communicant removing from one parish to another should procure from the Rector (if any) of the parish of his last residence, or, if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing; and the Rector of the parish or congregation to which he or she removes shall not be required to receive him or her as a communicant until such letter be produced.”—*Canon xii.*

Episcopal Hospital,

Front and Huntingdon Sts.

The late Miss Catharine Moore endowed two beds in the hospital. In cases of accident or severe sickness (where assistance is needed) a *Permit* may be obtained from the Rector.

Burial-Lots.

It is necessary to have the consent of at least three (3) members of the Vestry in order to secure a lot in the Churchyard. *See Regulations, page 16.*

Funerals.

There are three good reasons why funerals should take place in the Church when practicable:

1. To avoid confusion in the house of mourning.
2. To accommodate all who wish to attend.
3. To avoid the exposure of many in stormy weather.

The Rector especially desires to be notified of the address of new members of the congregation, as well as all changes of residence, and furthermore, that he be advised promptly of all cases where his services may be needed.

RULES AND REGULATIONS

FOR THE MANAGEMENT OF THE

BURIAL-GROUND OF EMMANUEL CHURCH,**Holmesburg, Philadelphia.**

1. All persons whose names have been entered on the books of this Church, for a pew, or sitting, one year before their death, and have paid one year's pew-rent, next preceding their death, shall have the benefit of interment as members of the Church.

2. Persons of both sexes, under the age of twenty-one years, being the children of parents who are members, or who, if dead, were members at the time of their death, shall have the benefit of interment as members.

3. Unmarried women, of whatever age, residing with their parents, who are members, shall have the benefit of interment as members.

4. Widows of members continuing to pay pew-rent shall be considered as members; but if, through distressed circumstances, they shall be unable to pay, the Church Wardens may, at their discretion, direct their interment as members.

5. The sons of members, between the ages of twenty-one and twenty-two, who were contributing for sittings at the time of their decease, shall have the right of interment as members.

6. All persons under the age of twenty-one years, of both sexes, being the children of parents who were members, but who, through distressed circumstances, are unable to contribute, shall, with the consent of the Wardens, have the benefit of interment as members.

7. All members shall have the privilege of having persons buried as members who have resided permanently in their families for five years immediately preceding their decease.

8. Any member, by paying in full the stipulated price for a lot, shall receive a certificate of the same, with the number of said lot according to the chart, and shall have the lot reserved to the exclusive use of his or her family and their lineal descendants, "except so far out of their lineal descendants as the said Vestry shall or may from time to time, and at their full and absolute discretion and pleasure, at the instance of the said member or his lineal descendants, permit and agree," subject to the action of the Vestry regulating the 15th Section of Article XI. of the By-Laws.

9. No transfer of lot shall be valid until approved in writing by the Wardens or Vestry.

10. No interment shall be made after this date, in any lot, until all charges are paid in full.

11. No interments shall be made in the grounds on the south side of the Church, except in lots set apart previous to Easter, A.D. 1872.

12. All close fences of iron should be avoided; they soon rust, and require repainting every year. Such enclosures are difficult to keep in order. All fences of iron or other material enclosing lots, all monuments, vaults, tombs, pedestals, head- or foot-stones, lots, trees, and *inscriptions*, shall be subject to the approval of the Rector and Wardens; and the same shall be kept in repair by the friends of the deceased, at their own expense.

Note.—The sexton will keep lots in order for a small remuneration.

13. No service shall be held in the Church, or on the grounds, except by ministers of the Protestant Episcopal Church.

14. The hour of any funeral in the Churchyard (especially on Sunday) shall be subject to the approval of the Rector and Wardens.

15. The fees for breaking grounds shall be as follows: For digging the grave of an adult, eight feet deep, five dollars, and for each additional foot, one dollar; for digging the grave of a child under twelve years of age, three dollars. These charges to include services at the funeral.

Holmesburg, Easter, A.D. 1872.
